# PROOF! POSITIVE PROOF!

has cured thousands, after doctors knowledged their skill to have been unavailing, and drugs have proven metfective. Nothing ever placed before the public has given such UNIVERSAL satinfaction as the "Perfected" Ourgener King; hothling has ever achieved such success. MAN CAN NOT COMPETS WITH NATURE IN HER OWN DO MAIN. What drug can make a single new red blood corpuscle? What drug can build a single tissue in your body? What drug can completely destroy the bacteria

(which is still going on), the drug has not been found that will do these things, but in what we term NATURE, we know one agent that will positively do them -and that agent is Oxygen. Oxygen is recognized by all schools to be nature's GREATEST curative agent and purifier, and it is clearly demonstrated by science that disease germs, (which produce Typhold, Majarial, Lung, and other fevers) cannot live in the presence of Oxygen. The Oxygener King acts very promptly in these cases. There is always more carbon in your body than Oxygen, and this is the fruitful cause for disease; the carbon ferments and causes humor, simply because there is not enough Oxygen present to burn the carbon. Life is only this process of burning-there is absolutely no other way of living. We cannot live without this burning, and we cannot burn without Oxygen. The blood carries the carbon for the purpose of exciting the Oxygen. The air cells of the Bungs supply some Oxygen, and as the supply is increased, it acts in your body exactly as a pair of bellows blowing air upon the fire. The greater the supply of Oxygen, the faster we burn, and the faster we burn, the more intensely do we live, and the greater our health. In all kinds of sickness, the carbon predominates—furnishing a home for the disease germs which produce fevers, etc-producing a deficiency of red blood corpuscion which causes debility, green sickness, insomptie, brain fag, nervous prostration, etc.—and also producing changes in the blood, chusing diabetes, rheumatism, Bright's disease, etc. These and all other diseases are dependent upon an excess of carbon for their existence. The Perfected Oxygenor King, in addition to what you get through the lungs, will flood your system with pure Oxygen from the air and water, through the pures of the skin, where it is taken up by the venous as well as the arreful circulation, enriching and building up the entire system, by this same process of burning, which is life itself. The Perfected Oxygenor King is for home treatment, and is used principally at night while sleeping, and cannot harm the most delicate child. It CURES all forms of disease without drugs, medicine, or electricity, by causing the body to absorb large quantities of pure Oxygen. There can be no failure unless some organ has so far wasted away as to be beyond repair. If you use it intelligently, it will give you new life. German, Swedish, and English literature for the asking. Step dying and get to living. People living in Wichita need not go outside the city to get proof a from people you know. Parties living outside the gity can have friends in the city investigate for them. You will be satisfied with the proofs we give you Do not be suffering and dying, when you can have the treatment that lasts a lifetime at small cost-less than a cent a day. We will rent instruments on trial and apply rental on purchase price. We are general agents and distributors for the southwest, and want agents in Kansas and Okinhoma to represent us. We have the very best treatment known, and we are anxious to give you relief. Call, or write us, and let us prove it to you. We don't want you to take our word-if we can get you to investigate it, we will be satisfied; and you cannot please us better than investigate it very closely. Report to us all the failures you find.
